

NLA Team,

We wanted to flag this section of the CARES Act for you re: federal contractors. If any of your members are running shuttle services or the like for the federal government that have been shut down, they may be eligible for some form of reimbursement.

We're working to track down more detail on this and will let you know what we find.

SEC. 3610. FEDERAL CONTRACTOR AUTHORITY.

Notwithstanding any other provision of law, and subject to the availability of appropriations, funds made available to an agency by this Act or any other Act may be used by such agency to modify the terms and conditions of a contract, or other agreement, without consideration, to reimburse at the minimum applicable contract billing rates not to exceed an average of 40 hours per week any paid leave, including sick leave, a contractor provides to keep its employees or subcontractors in a ready state, including to protect the life and safety of Government and contractor personnel, but in no event beyond September 30, 2020.

Such authority shall apply only to a contractor whose employees or subcontractors cannot perform work on a site that has been approved by the Federal Government, including a federally-owned or leased facility or site, due to facility closures or other restrictions, and who cannot telework because their job duties cannot be performed remotely during the public health emergency declared on January 31, 2020 for COVID-19:

Provided, That the maximum reimbursement authorized by this section shall be reduced by the amount of credit a contractor is allowed pursuant to division G of Public Law 116-127 and any applicable credits a contractor is allowed under this Act.
